Ridge Ranch Elementary School Named Among 69 New Jersey Schools Recognized for High Achievement

Ridge Ranch

New Jersey Chamber of Commerce recognized Ridge Ranch Elementary School as one of 69 schools among the 2006 Just for the Kids - New Jersey Benchmark Schools. Ridge Ranch was one of two Bergen County Elementary Schools selected as a Benchmark School. Benchmark Schools are schools designated by the BCEE using assessment results that are annually posted to the Just for the Kids-New Jersey Web site at www.just4kids.org.

Ridge Ranch Elementary School received a high honor for performance on the state's assessments, and was given a recognition banner for the achievement, at an event with representatives from Washington Mutual, the New Jersey Department of Education, Prudential Financial, and Educational Testing Service.

"The schools honored here today represent a level of excellence that we would like all New Jersey schools to achieve," said Dana Egreczky, president, Business Coalition for Educational Excellence. "We are very proud to credit such hard working schools as Just for the Kids - New Jersey Benchmark Schools. This accomplishment should not go unnoticed."
