Friday, May 25, 2007

Harmony Township School was recently recognized as a 2006 Just for the Kids-New Jersey Benchmark School for high student achievement on the state's proficiency assessments. Benchmark Schools are schools designated by the Business Coalition for Educational Excellence at the New Jersey Chamber of Commerce, using assessment results that are annually posted on [www.just4kids.org](http://www.just4kids.org).

At an event with representatives from Washington Mutual, New Jersey Department of Education, Prudential Financial and Educational Testing Service, 69 schools were honored for their performance on the state's proficiency assessments and were given recognition banners for their achievement.

"We are proud to recognize Harmony Township School for their outstanding achievement," said Dana Egreczky, president, Business Coalition for Educational Excellence. "This honor truly reflects a strong commitment to providing New Jersey's students with the quality education they deserve."
