- Long Valley resident Molly McGrath is currently interning at Success Communications Group, a full-service public relations and advertising firm based in Parsippany. An English major and psychology minor at West Chester University of Pennsylvania, McGrath will graduate in May 2009 with a bachelor of arts degree.

"My internship at Success is a great opportunity," McGrath said. "This experience is allowing me to apply all the skills I have learned in my courses in new and exciting ways."

At West Chester University, McGrath is president of The American Cancer Society's Colleges Against Cancer and online editor of the school newspaper, The Quad. She also is a member of Omicron Delta Kappa Honorary, a National Honor Society for achievement in scholarship, leadership and service.

- The Blessed Mother Seton Council 5410 of the Knights of Columbus in Chester has awarded three men with 3rd Degree honors. James Peer, Ray Martinelli and Walt Lambert received the honors at the exemplification ceremony held at LaNeve's Restaurant in Haledon.

Also, Council 5410 has participated annually every May and June in recognizing students from local high-schools for high academic achievements and career goals.

The Knights presented scholarships to three high school seniors. Each will receive a scholarship of \$500:

Elizabeth Deauville, Flanders, Mount Olive High School, who will attend the University of Notre Dame;
